

Host an International HR Day event at your organisation by following these three easy steps...

1. Plan a great celebration

HR professionals support you everyday in the workplace – International HR Day is a chance to celebrate and thank the HR team in your workplace for all they do!

There are plenty of ways to celebrate International HR Day: invite your colleagues to a morning tea or lunch, play some games and share your appreciation on social media.

This toolkit will provide you with handy templates, suggestions and assets to make planning your celebration easy.

You could also schedule your event to coincide with our celebration webinar at 12:00pm AEST on 20 May 2026.

2. Invite the team

Use the invitation template to invite your colleagues to your event.

3. Share the fun
